Falling and Rising Intonation

- 1 Listen to the conversation. In each line, does the intonation rise at the end? Or does the intonation jump up and then fall at the end? Draw an arrow pointing up (↗) if the intonation rises at the end or an arrow pointing down (↘) if the intonation falls at the end.

Ted and Emily are in a car. Emily is driving and isn't sure which way to go.

Emily Ted _____ ↗

Ted What _____

Emily Go straight _____

Ted Yes _____

And then left _____

Emily Where _____

Here _____

Ted At the bridge _____

Emily After the bridge _____

Ted Before the bridge _____

Emily Sorry _____

- 2 Listen again. Repeat each line and check your answers.
